**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING MOTIONS TO  
RECEIVE PREPARED TESTIMONY INTO EVIDENCE AND TO FILE UNDER  
SEAL PORTIONS OF THE TESTIMONY**

Pursuant to Rule 13.8 and in response to Southern California Edison Company's (SCE) two motions dated October 13, 2007, the prepared testimony served by the parties is marked for identification and received into evidence as listed below.

| Exhibit 2 | The confidential and public versions of Exhibit SCE-2, titled "Energy Resource Recovery Account (ERRA) Reasonableness of Operations, 2006 Chapters IX-XIII" and attached appendices.       |
| Exhibit 3 | Exhibit SCE-3, titled "Witness Qualifications and Declarations Regarding the Confidentiality of Certain Data."   |
| Exhibit 4 | The confidential and public versions of Exhibit SCE-4, titled "Energy Resource Recovery Account (ERRA) Reasonableness of Operations, 2006 SCE Rebuttal Testimony" and attached appendices. |
| Exhibit 5 | The confidential and public versions of SCE's supplemental testimony, titled "Energy Resource Recovery Account (ERRA) Reasonableness of Operations, 2006 Supplemental Testimony."          |
| Exhibit 6 | The Division of Ratepayer Advocates' (DRA) Report on SCE's 2006 Energy Resources Recovery Account (ERRA), dated August 3, 2007, Public Version and Confidential Version.                   |
| Exhibit 7 | The DRAs' Amended Prepared Testimony, Chapter 3: Utility Retained Generation, dated August 27, 2007, Public Version and Confidential Version.  |

SCE moves the Commission for an order requiring the confidential versions of the above exhibits to be Filed Under Seal. DRA seeks similar treatment for the confidential versions of its prepared testimony.

The request of the parties to have the confidential versions of the prepared testimony listed above Filed Under Seal is granted for three years from the effective date of this ruling. During that period, the information shall not be made accessible or disclosed to anyone other than the Commission staff except on the further order or ruling of the Commission, the assigned Commissioner, the assigned Administrative Law Judge (ALJ), or the ALJ then designated as Law and Motion Judge. If SCE believes that further protection of the information kept under seal is needed, it may file a motion stating the justification for further withholding of the information from public inspection, or for such other relief as the Commission's rules may then provide. This motion shall be filed no later than one month before the expiration date.

**IT IS SO RULED.**
